27th April 2010

EGL AWARDED \$2M ONESTEEL CONTRACT

Continuing our strategy of delivering clean air and clean water solutions to industry, The Environmental Group Limited (ASX: EGL) today announced that it has been awarded a \$2M contract, via its subsidiary company Total Air Pollution Control Pty Ltd (TAPC), to refurbish the No 1. Electrostatic Precipitator for OneSteel, Whyalla.

The refurbishment of the No1 Electrostatic Precipitator by TAPC will improve the fume extraction efficiency and capacity of the Basic Oxygen Steelmaking to cope with production and maintenance requirements into the future.

The project has commenced and completion is expected in June 2010.

For further information, please contact Mr. Bill Highland on either (02) 8858 3499 or 0404 260 020.

About EGL

EGL is a leading ASX listed facility services and environmental solutions company that provides mining and industrial services, and a suite of clean air and clean water products to the resource, utility and environmental sectors throughout Australasia.
